

 GOVERNING BOARD POLICY	POLICY TITLE: Staff Involvement In Decision Making
	POLICY CODE: GBB

The purpose of the employee suggestion plan is to:

- Encourage employees to participate in school management through the suggestion of ideas for increased economy of operation and improvement of service.
- Improve employee morale through recognition of employee contributions toward more efficient operation of the school system.
- Stimulate constructive thinking by employees about their jobs and about functions of the school system generally.
- Reduce costs to the District and to increase efficiency by the installation of beneficial employee suggestions.
