Project Title: _____

(Type responses to the following questions on separate attachment. Limit to no more than 3 pages)

Description:

- Provide a succinct (one or two sentence) description of the project.
- What are the learning goals of this project?
- How do these goals expand or enrich your classroom curriculum or school's pedagogic focus?
- What critical thinking skills will students learn from this project?

Implementation & Assessment:

- Describe the steps required to implement the project.
- What is the timeline (start, end, will it continue beyond the grant period)?
- How will you evaluate your success in teaching the learning goals and critical thinking skills of this project?

Collaboration:

- Describe specific ways, 1) students, 2) parents, 3) community members, 4) professional colleagues, 5) other organizations, 6) your school, and/or applicant(s) will benefit as a result of this project. Also note how many in each collaboration you list will benefit.
- Describe how you will publicize EEF's Classroom Grant program to your school's community. Please note: EEF is an independent community-based non-profit organization that is not part of TUSD's budget in any way.

BUDGET

Complete the budget with total amounts and with specific amounts. (Use whole numbers.) It is not a requirement for you to have multiple funding sources for your project; budgeting only with EEF funds will not prejudice the decision making process of the EEF Allocations Committee. If you have raised or applied for other funds for your project, please list sources and amounts on a separate page and indicate if these are confirmed or pending.

Please descriptively itemize your budget (do not identify any item as miscellaneous).
